This property in a quiet cul-de-sac on the peninsular side of Greenwich has an existing older-style red-brick home, built mid 1950s with 4 beds, 2+ baths and off-street parking for 1 car.

street car spaces. This is your chance to buy into this quiet and sought-after location on greenwich peninsula.

Yours to Demolish or Extend.

This desirable street location has recently seen three new luxury mansions built nearby. The land falls away at the rear towards Gore Creek Oval so the views cannot be built out. Potential outlook from a second storey development will include water glimpses and leafy district views to the West and to Northwood.
